

PROFESSIONAL VITA

(Abbreviated; Full vita is 70 pp)

Leonard L. LaPointe, Ph.D.

CCC-SLP, BCD-A (ANCDS)

Honors Recipient, American Speech-Language-Hearing Association

Francis Eppes Distinguished Professor of Communication Science & Disorders

Adjunct Faculty, College of Medicine

Associate Faculty, Program in Neuroscience

Florida State University

And

Editor-in-Chief, Journal of Medical Speech-Language Pathology

Co-Director, TMH-FSU Neurolinguistic-Neurocognitive Research Center

Tallahassee Memorial HealthCare

Work Address:

School of Communication Science & Disorders

201 Bloxham St. Warren Building

Florida State University

Tallahassee, Florida 32306-1200

Phone: (850) 644-6314 Fax: (850) 644-8994

Phone: (850) 222-5673

PRESENT POSITIONS

Florida State University

Francis Eppes Distinguished Professor

Department of Communication Science & Disorders

Adjunct Faculty, College of Medicine

Associate Faculty, Program in Neuroscience

Affiliate, Pepper Institute on Aging and Public Policy

Editor-in-Chief, Journal of Speech-Language Pathology, Plural Publishing, Inc.

Editorial Advisory Board, Plural Publishing, Inc.

Centre for Communication Disorders, University of Hong Kong

New Zealand Institute of Language, Brain and Behaviour (NZILBB)

VISITING PROFESSORSHIPS AND PREVIOUS POSITIONS

Visiting Professorships:

Hong Kong Institute of Education, 2014, Invited Visiting Professor (April-June, 2014)

Mahidol University, Bangkok, Thailand, Invited Visiting Professor (May- June, 2012)

Musée de l'Homme, Paris, Invited Research Scholar to Review Collections of Paul Broca (June-July 2011)

University of Canterbury (2007) Erskine Visiting Research Fellowship, University of Canterbury, Christchurch, New Zealand, (January-June, 2007)

University of Hong Kong, (2002) Visiting Research Professor

University of Queensland (1995 – 2005)

Visiting Research Professor, Motor Speech Research Unit, University of Queensland, Brisbane

Previous Positions:

Professor, Department of Speech and Hearing Science, Arizona State University, Tempe, Arizona, 85287-0102 (1992-2000)

Professor and Chair, Department of Speech and Hearing Science, Arizona State University (January 1984-June, 1992)

Coordinator of Instruction, Audiology and Speech Pathology Service, Veterans Administration Medical Center, Gainesville, Florida (1969-1983)

Adjunct Professor, Department of Communicative Disorders, College of Health Related Professions; and Department of Speech, College of Arts and Sciences, University of Florida, Gainesville (1969-1983)

Research Faculty, Center for Neurological and Behavioral Linguistic Research, University of Florida (1975-1983)

Post-doctoral Fellow, Veterans Administration Medical Center, Denver, Colorado (1968-1969)

Speech-language pathologist, Menasha, Wisconsin public schools, 1961-64.

EDUCATION

Michigan State University B.A. 1961

University of Colorado, Boulder M.A. 1966

University of Colorado, Boulder Ph.D. 1969

(Summary)

Dr. LaPointe has authored or co-authored **12** books, **40** book chapters, over **100** journal articles, and presented more than **500** papers, lectures, or invited workshops in the United States, the former Soviet Union, several countries in Europe, Japan, Hong Kong, Korea, Australia, New Zealand, Singapore, Thailand, and the South American countries of Colombia, Argentina, and Brazil. He has received continual grant funding since 1969 from government and private agencies that has totaled over \$3 million.

He has received the following **Honors and Awards**:

- **Fellow of the American Speech-Language-Hearing Association**
- **Honors of the American Speech-Language-Hearing Association**
- **Honors of the Arizona Speech-Language-Hearing Association**
- **Honors of the Academy of Neurological Communication Disorders and Sciences**
- **Clinical Career Award, Florida Society of Speech Language Pathologists and Audiologists**
- **Honors of the National Student Speech Language and Hearing Association**
- **Editor's Award** for best scientific article of the year by the journal *Contemporary Issues in Communication Sciences and Disorders*.
- **Distinguished Alumnus of Michigan State University (2005)**
- **Society of Phi Kappa Phi**, the nation's oldest Honor Society for all discipline academic excellence
- **Norlin Award** as a **Distinguished Alumnus of the University of Colorado (2007)**

Teaching Awards

Teacher of the Year Award, Lambda Pi Eta, College of Communication and Information, Spring, 2014.

Teacher of the Year Award, Lambda Pi Eta, College of Communication and Information, Spring, 2013.

Transformation through Teaching Award, Florida State University Spiritual Life Project (Recognition designed to honor full-time faculty who have had an intellectual, inspirational, and integrative impact on the life of a student). President's dinner, Fall, 2011.

Teacher of the Year Award, Lambda Pi Eta, College of Communication and Information, Spring, 2011.

Nomination – *Provost's Distinguished Teaching Award*, Florida State University, 2002.

Scholarly and Research Productivity
2000-2014

Grants:

LaPointe, L. L. Francis Eppes Endowed Professorship Annual Award. \$40,000 annually for use in research, travel, student, and faculty support. This is an annual grant and has been used for travel, laboratory equipment, student research support, graduate student stipends, and junior faculty research support since it was awarded in 2000.

Maitland, G.C., LaPointe, L. L., Stierwalt, J.A.G. Effects of Azilect on Gait, Balance, and Cognition of Participants with Parkinson Disease. \$35,000 awarded to Neuroscience Dept., Tallahassee Memorial HealthCare. 2011, 2012.

Approved Researcher to Access Collections of Musée de l'Homme, University of Paris, June-July, 2011 (Philippe Menecier, Curator). Resulted in publication of a book, LaPointe, L. L. Paul Broca and the Origins of Language in the Brain, San Diego: Plural Publishing, 2013.

TMH-FSU Neurolinguistic-Neurocognitive Research Center established as a collaborating Laboratory for creation of ***New Zealand Institute of Language, Brain, & Behaviour*** Submitted and funded, 2010. No funding for local collaborative laboratory; but established for student /professional exchange, collaborative research (Professors Jennifer Hay and Megan McAuliffe, University of Canterbury, Christchurch, New Zealand. Leonard L. LaPointe, Collaborating researcher, FSU. Submitted, Funded, Created, 2010

Maitland, G., LaPointe, LL (Co-Principal Investigators) Fall risk in Parkinson disease: Effects of cognitive-linguistic load and pharmacologic intervention on gait and balance. TEVA Pharmaceuticals, \$40,000, June, 2008, approved and awarded.

McAuliffe, M., LaPointe, L.L., Andersen, T. Environment and speech intelligibility in acquired communication impairment. Submitted to Health Research Council of New Zealand, 2008, \$124,000.

LaPointe, L. , Maitland, G.C., Stierwalt, J. Heald, G. *Fall risk in Parkinson disease: Effects of Cognitive-linguistic Load and pharmacologic intervention on Gait, Posture, Balance, and Speech.* Cephalon Pharmaceutical Co., \$133,834 (Pending).

Tallahassee Memorial Hospital Foundation Award Estate trust for continuation of research of the TMH-FSU Neurolinguistic-Neurocognitive Rehabilitation Research Center (shared with an Arts in Medicine Initiative) \$1.7 million

LaPointe, L. & Maitland, C. G. Grant award for continuation of laboratory funding for 2006 expenses. Aug. 2006- March 2007 TMH Foundation \$86,000.

The Effects of Linguistic Load on Posture, Balance, and Gait in Individuals with Neurological Impairment Julie A.G. Stierwalt & Leonard L. LaPointe (Co-PIs); Tonya Toole, Charles G. Maitland, MD Interdisciplinary Support Grant. *FSU Sponsored Research* 2005-2006. \$25,000.

\$130,000 Grant award from Tallahassee Memorial Foundation (Establishment of the Tallahassee Memorial HealthCare-Florida State University Neurolinguistic-Neurocognitive Rehabilitation Research Center at TMH. (Leonard L. LaPointe, PhD and Gerry Maitland, MD Co-Directors)
